

The Dearborn Figure Skating Club Scholarship

The Dearborn Figure Skating Club Board of Directors created this scholarship in order to support the educational endeavors of our skaters. The DFSC scholarship will range from \$500 to \$1000. While classroom and extracurricular activities certainly are important aspects of the judging criteria, this scholarship program places special emphasis on the essay completed by the student. The applicant must submit an essay of no more than 500 words in length describing how involvement in figure skating has helped her or him to live, learn, and work. The award money can be applied to tuition expenses for colleges, universities or specialized vocational training. Only first club, primary Dearborn FSC Members who are currently or will be enrolled for the upcoming school year are eligible to receive the scholarship.

Applications must be submitted to JoAnn Eastman by 5pm on April 15, 2019.
